CROSS REFERENCE MEMO: FOR FILES (DULLES REPORT)

Subject: AEC Comments

1. Dr. Walter F. Colby, Director of Intelligence, Atomic Energy Commission, wrote on February 24 to DCI in answer to DCI's memo of February 11 re Dulles Report.

PAGE 63, CONCLUSION 6: AEC wishes to remain on IAC, especially to the extent of receiving a free flow of intelligence, although it admits "the deliberations of the IAC in the past have been of only moderate interest and benefit to the Commission."

PAGE 91: AEC favors the new Scientific Office in CIA, and the transfer of the Nuclear Energy Group to that office.

PAGE 9: Recruiting personnel from AEC for participating directly in NEG approved.

PAGE 10: AEC is an important consumer of information collected by special operations and should also assist in guiding its collection efforts.

The original of this letter is in the Director's files.
